Directions to create a citation for SCHOLASTIC GO! (Database)

Cite a: DATABASE Create new citation (green button)

Before starting your citation, go to the BOTTOM of your article page and look for “How to cite this article:”

Where is it? Database

What is it? Original Content in Database (1st column; 1st option)

- *Name of the database: (You need to type: Scholastic Go!)

- Date of publication: (You will need to type in 2018 – You only need the year; don’t worry about the month/day.)

- URL: You will need to copy and paste it in: (Go to the bottom of the article and copy / paste the URL in – it starts with go.scholastic.com........)

- Most recent date of access: (You will need to click the blue link: [today?] – the date will enter automatically.)

- Contributors:
  o Role: choose Author from the dropdown box. Look at the bottom of the article for the author’s name in the MLA citation.
    ▪ Type in the author’s first, middle, and last name.
  o If there is no author, leave it blank.

- Article title: (You will need to type in the article name; it is usually the name of the topic you searched for.)

When finished, click green SAVE button.

EXAMPLE:
Janick, Herbert F. "Tigers." Scholastic Go!,
go.scholastic.com/D/article/a20/292/a202925h.html?highlightTerm=tigers.

Remember to always create a citation BEFORE a notecard.
To Create a Notecard with Research from Grolier:

1) Once you open a “New” notecard, you can type in a title for your card.

2) You can copy and paste portions of the Grolier Online article here. THEN REMEMBER TO PARAPHRASE ....

3) Type your notes in the “Paraphrase or summary” box.

Click the “NEW” link under Notecards for your online database source.
