Directions to create a citation for a Website

Cite a: WEBSITE Create new citation (green button)

Where is it? Website

What is it? Web Page (1st column; 1st option)

- URL: (You will need to copy and paste the website address into this box.)
- Date of publication: (In most cases, you will only fill in the box that says YYYY.
 You will fill in the copyright year of the webpage, which is most likely found at the
 BOTTOM of the web page. You will need to look. Put the most recent year. If there is no year, leave this portion blank.)
- Most recent date of access: (You will need to click the blue link: [today?] the date will enter automatically.)

- Contributors:

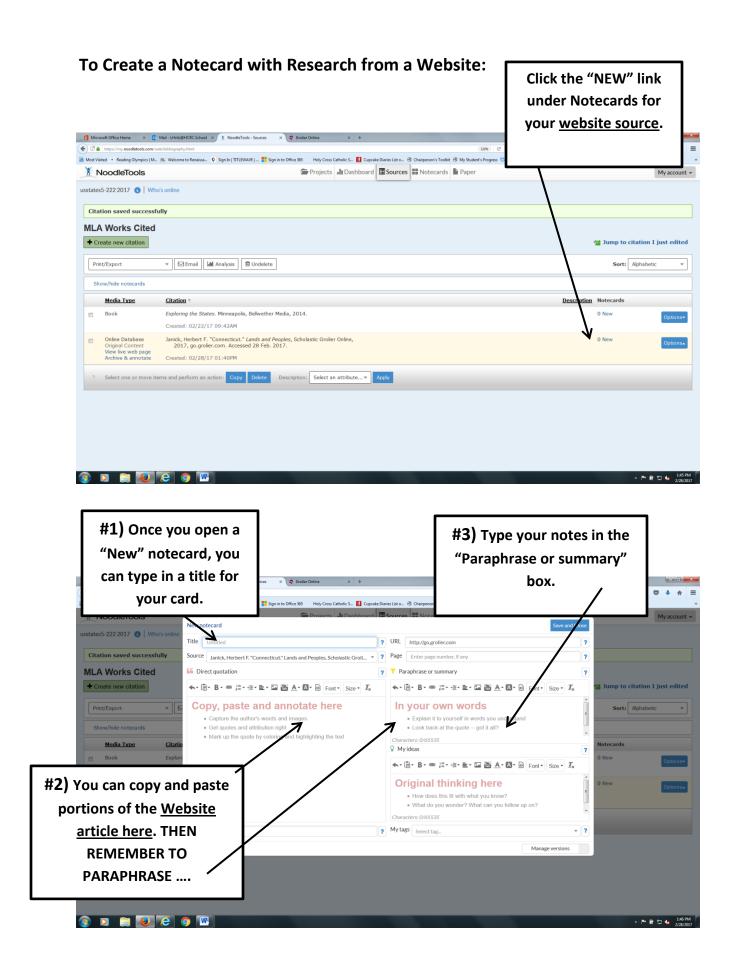

- **Role:** choose **Author** from the dropdown box if there is an author of the web page. *In most cases, these boxes will be left blank.*
- Web page or document/article title: (This is the title of what you researched. You will need to look at the TOP of the web page to determine the article title.)
- *Name of the website: (You will need to type the website name.)
- **Publisher of the Site:** (You will fill in publisher of the website, which is most likely found at the **BOTTOM** of the web page. You will need to look. Sometimes it is the same name as the website. If there is no publisher, leave this portion blank.)

When finished, click green SAVE button.

EXAMPLE:

"Connecticut." *Fact Monster*, 2017, www.factmonster.com/us-states/connecticut.html. Accessed 16 Mar. 2017.
